PRELIMINARY AMENDMENT

Sir:

Prior to examination of the above-identified application, please enter the following amendments and remarks.

In the Claims

Substitute the following claim for pending claim 1:

b¹
1. (Amended) A method for transmitting channel quality information in a wireless communication system comprising at least one base station and at least one mobile station, the method comprising:

a¹
varying a rate for reporting channel quality information from a mobile station to a base station as a function of the presence or absence of a reception of a transmission at the mobile station.

Substitute the following claim for pending claim 2:

2. (Amended) The method according to claim 1, wherein the mobile station reports channel quality information at a first rate in the absence of a reception of a transmission from the base station and at a second rate in the presence of a reception of a transmission from the base station.
